CHAMPIONSHIP TOUR

The South Florida PGA is committed to providing junior golfers in south Florida with a variety of programs to keep everyone involved in the game of golf at the lowest possible price. Our various levels of play provide junior golfers with opportunities to grow and develop their skills as they aspire to play collegiate golf and go beyond.

Team Golf

Team Golf is a great way to get kids involved in the game of golf in a team environment. The basic premise is to create a team atmosphere for young golfers ages 6-14, not much different than what you see in soccer and baseball leagues. Similar to other youth sports, teams have weekly practices where golf instruction is provided by local PGA and LPGA Professionals serving as team coaches at public and private golf facilities throughout south Florida. Teams and players compete in weekly or bi-monthly 9-hole tournaments with other local area teams. The format is a two-person scramble playing from

modified yardages, and tournaments are hosted at nearby facilities. Participants of Team Golf are part of an exciting approach to learning and having FUN on the golf course.

Prep Tour

The South Florida PGA Junior Prep Tour is a series of one-day, 18 hole events. The purpose of the Junior Prep Tour is to bridge the gap for juniors who have advanced through the 9 hole Team Golf format but are not ready for the next step in competitive golf. The Junior Prep Tour features competitive 18-hole events for golfers ages 9-18 who are looking to gain tournament experience. Age divisions for the Junior Prep Tour are Boys and Girls (9-10, 11-12, 13-18).

Challenge Tour

The South Florida PGA Junior Challenge Tour is a series of two-day, 36 hole events. The Challenge Tour is designed to be the next step after players are comfortable with Team Golf and the Prep Tour. Membership is open to all juniors 11-18 who meet specific requirements. All Challenge Tour events are nationally ranked by Junior Golf Scoreboard. All Challenge Tour events are 36-hole events, with both Boys (11-12, 13-15, and 16-18) and Girls (11-12, 13-15, and 16-18) divisions. Players must have previous tournament experience to gain membership

Championship Tour

The South Florida PGA Junior Championship Tour is our premier tour. The Championship Tour is a series of two-day events at some of South Florida’s premiere facilities. Membership is invitation only based on participation on the Challenge Tour. Juniors are invited based on their previous year’s Junior Tour scoring average and point standings, and current year’s performance. All Championship Tour events are nationally ranked by Junior Golf Scoreboard. All Championship Tour events are 36-hole events, with a Boys (13-18) and Girls (13-18) division. Boys compete from the Championship tees (6600-7000+ yards), and Girls compete from the middle tees (5800-6000+).

Additionally, the SFPGA Junior Tour runs four “Junior Majors” each year, The South Florida Junior PGA Championship, the South Florida Open, the Nicklaus Junior, and the Junior Tour Championship. The SFPGA Junior Tour encompasses our Team Golf Program, as well as three Junior Tours, the Prep Tour, the Challenge Tour and the Championship Tour. Membership of the South Florida PGA Foundation is a prerequisite for all tours, and provides access to each tour based on eligibility requirements listed below. The South Florida PGA Junior Tours provide a competitive, yet fun tournament atmosphere, encompassing an eleven month season of golf played on some of South Florida’s best golf courses. The South Florida PGA Junior Tours are South Florida’s premiere junior golf programs.

Membership Registration Procedure (All Levels)

Returning Members – 2018 South Florida PGA Junior Tour members will be able to use their 2018 login and password to sign in and register for 2019 membership. The 13-15 and 16-18 age divisions for Boys and Girls will play from the same set of tees and are eligible to compete for the Overall Championship of the tournament. 1st and 2nd place winners will be selected in each separate age division. One Boy and one Girl Overall winner will be awarded in the 13-18 age divisions. Once awarded, this individual is not eligible to receive an award in his/her age division.

Three ways to gain entry to the Championship Tour:**1. Previous Year's South Florida PGA Junior Challenge Tour Performance:****Exempt:**

Boys 13-18 – 79.99 or better scoring average and top 25 in POY points

Girls 13-18 – 81.99 or better scoring average and top 10 in POY points

2. Current South Florida PGA Junior Tour Performance: Players must compete in a minimum of three Challenge Tour events in order to be considered for the Championship Tour. If a player meets the specific scoring requirements after that time or place within the top 20% in all three events, he/she may be granted access to the Championship Tour. Once a player is awarded Championship Tour status, he/she may **not** return to the Challenge Tour.

*Members must be 13 years of age to be considered for the Championship Tour. Members competing in the Boys or Girls 11-12 divisions on the Challenge Tour are not eligible to compete on the Championship Tour unless they declare to play up in age division on the Challenge Tour (see page 12).

The committee reserves the rights to change a player's status on either the Challenge or Championship Tours at any time during the season based on their performance. The committee also reserves the right to allow individuals outside of the age requirements to compete in a higher division.

3. Open Events (Fall Series): Championship Tour events during the fall series (September-November) will have an open registration period. Fully exempt players will be able to register for these events 6 weeks prior to the event. 3 weeks prior to the event deadline, the event will open up to a select number of Challenge Tour players in the 13-18 age division (qualifications below).

- In the instance the event is full, any player that qualifies from the Challenge Tour Player of the Year standings will be put on a waitlist and added to the event based on openings.

Moving Between ToursMoving to the Challenge Tour (*Prep Tour*)

Our goal is to place each junior golfer in the South Florida section in the correct environment based on their current skill level. Any player age 11 and up who begins on our Junior Prep Tour, must compete in a minimum of **THREE** Prep Tour events to be eligible to move to the Challenge Tour with committee approval. That player must also meet specific scoring requirements in order to advance to the Challenge Tour. Once a player joins the Challenge Tour, they are not eligible for the Prep Tour moving forward.

Scoring Requirements:

Boys 11-18 – 77.99

Girls 11-18 – 81.99

*The committee reserves the right to admit a player under the age of 11 to the Challenge Tour if they feel the player has presented an EXCEPTIONAL playing history on the Prep Tour and their caliber of play EXCEEDS the requirements to compete on the Challenge Tour. An Example of this may be multiple wins by a large margin of victory. Any player demonstrating exceptional skill on the Prep Tour will first be asked to move up an age division before being considered for the Challenge Tour.

Moving to the Championship Tour (Challenge Tour)

A player, who begins on our Challenge Tour, must compete in a minimum of **THREE** Challenge Tour events to be eligible to move to the Championship Tour with committee approval. Any player in the 13-18 age division finishing 1st in the overall 13-18 division in the Challenge Tour will receive status on the Championship Tour. After three events, if the player's performance is consistent with the caliber of play required to compete on the Championship Tour, the committee reserves the right to grant the player fully exempt status on the Championship Tour.

Any Challenge Tour player that competes in three Championship events and finishes within the top 10 in the boys overall age division and the top 5 in the girls overall age division will automatically become exempt onto the Championship Tour. Therefore only allowing that individual to compete in Championship events moving forward.

Transfer of Player of the Year Points

Player of the Year Points **WILL NOT** be transferred between tours or age divisions.

*The Committee reserves the right to change a player's status on either the Prep, Challenge or Championship Tours at any time during the season based on their performance during the season.

*Any player scoring higher than 120 in a round of any Challenge Tour events will be asked to move to the Prep Tour until they are ready to compete on the Challenge Tour.

Membership Fee

Membership to the South Florida PGA Foundation is **\$55.00**

If any individual does not qualify for membership, he/she will be notified and will be issued a full refund for his/her application fee

Determining Age Divisions

A player's age division is determined as of their age on the final day of each tournament (first day for Prep Tour). For example, a player who turns 16 on July 1st will play all events before July 1st in the 13-15 age division, and will be automatically moved to the 16-18 division after that date. If that player turns 16 on the second day of an event he or she will be moved into the 16-18 age division, prior to round 1 of the event. If a player has a birthday coming up that would result in an age division move, he/she may request to play up with committee approval to begin earning POY points at the beginning of the season.

Declaring Up in Age Division

Members may "declare up" to an older age group anytime during the Junior Tour season. Once a member declares up, he/she must play in the older age group for the entire season and must play by the applicable rules and regulations. Members must email their request to the Junior Golf Director, Chad Peters, at cpeters@pgahq.com in order to officially declare up.

The request to declare up must be made before the registration deadline of a tournament to be considered. Requests to declare up will not be accepted once tee times are made for a tournament, and the player will have to wait until the next tournament in order to participate in an older age division.

Field Size

Registration is limited to 72 players for Prep Tour events, and is based on a first come first serve basis, with no consideration for age division or gender.

Registration is limited to 84 players for both Championship and Challenge Tour events, and is based on a first come first serve basis, with no consideration for age division or gender.

Tour Refund Policy and Withdraws

Prior to the **event deadline** cancellations/withdrawals **MUST** be submitted via **EMAIL** to the Junior Golf Director, Chad Peters at cpeters@pgahq.com.

If a request for cancellation is received after the event deadline and the event does not have a waitlist or no one from the waitlist can fill the spot, **NO** refund will be granted. In the case of an emergency or medical illness, a written doctor's note must be submitted to the Section office within five days immediately following the event.

All refunds will be issued minus a \$10 processing fee.

Junior Tour Release Waiver

During online registration all members of the South Florida PGA Junior Tour **MUST** sign the electronic Junior Tour release waiver. **The South Florida PGA reserves the right to disqualify a member from a scheduled event if a release waiver has not been completed.** If this occurs, the member will be provided with a full refund for the event in which he/she was scheduled to participate.

Mirasol Scholarship Fund

Scholarship Fund for Tournament Entry Fees

The Men's Fun Group at Mirasol along with the South Florida PGA Foundation developed a scholarship fund to help provide South Florida PGA Junior Tour Members with grants to assist with South Florida PGA Junior Tour tournament entry fees. To be granted assistance you must complete the application located on the Foundation page of the Junior Golf website. All information and guidelines can be found within the application.

TOURNAMENT POLICIES & PROCEDURES

Pairings and Starting Times

Pairings for all Junior Tour events will be made by randomly selecting groups of three to four players based on age group and gender for the first round of play at each event. Tee time request cannot be accommodated for.

For the second round of Challenge and Championship Tour events, the field will be re-paired by score. Field size and number of players per age division will dictate which divisions tee off in which order.

For all events, request for starting times or specific groupings will not be accommodated. Players will **NOT** be called to their tees. Each contestant is responsible for obtaining his / her starting time and arriving to the tee **10 minutes prior** to their scheduled tee time.

Starting times will be posted on the South Florida PGA website three days prior to the event. Players will be notified via email of any changes that might occur after the initial release of pairings and starting times. Any changes will be immediately updated on the South Florida PGA website.

No Show Policy

It is the responsibility of the participant to email the South Florida PGA Junior Golf Director, Chad Peters, when canceling out of a Challenge or Championship Tour tournament or Junior Golf Coordinator, Caitlin Huiting when canceling out of a Prep Tour tournament. When canceling on the day of the tournament, members must notify the SFPGA Section staff and in case of medical reasons, provide a doctor's note. Any member who does not follow this procedure will be considered a "no show." Players who do not properly notify the Junior Golf Director of their withdrawal are subject to the following penalties:

First Offense – EMAIL warning issued from Junior Golf Director

Second Offense – EMAIL notification of Suspension from next scheduled event

Third Offense – WRITTEN notification of Suspension from the Junior Tour for the remainder of the season.

Any player that receives a third offense and is suspended for the Junior Tour will be subject to possible rejection of membership for the following season, regardless of skill level.

Tournament Cancellation Procedure

The South Florida PGA reserves the right to cancel tournaments in the event of inclement weather or other incidents. The South Florida PGA recommends checking the status of the tournament by calling the SFPGA staff the morning of the event. If a tournament is cancelled, members scheduled to participate in the event will be refunded the full entry fee to their credit card on file. If the tournament is cancelled during play, the South Florida PGA reserves the right to retain the full entry fee. Best efforts to reschedule a cancelled event will be made. Players who were entered in the first event will automatically be entered into the rescheduled event. If they are unable to participate on the rescheduled date they may transfer registration to a later event to receive a refund. If the rescheduled event has available space, juniors who were not entered in the original event will be afforded an opportunity to register for the rescheduled event.

Withdraw Policy – Withdrawing During an Event

In addition to the “no show” procedure, any member who has repeated withdrawals during tournament play **MUST**:

1. Turn in their scorecard before leaving the facility if leaving mid-round.
2. If leaving for medical reasons, provide a doctor’s note to the Junior Golf Director.

Failure to meet either of these two requirements may result in suspension from the player’s next event, events, or suspension of membership for the duration of tournament season.

Rules of Play

USGA Rules of Golf and the SFPGA Junior Tour Rules of Play Card shall govern all play, in addition to local rules on the Notice to Competitors (Rules Sheet), which is distributed at every event, and is also available on our website. Be sure to read the Rules of Play Card in its entirety prior to your first event.

Distance measuring devices are allowed in all SFPGA Junior Tour events, assuming the device measures distance **ONLY**. If during a stipulated round, a player uses a distance measuring device to gauge or measure other conditions that might affect his play (gradient, wind-speed, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification.

Breaking Ties

Ties for first and second place within the specified age divisions will be broken by the USGA recommended method of breaking ties. (See Appendix I, Part C-11, Page 123)

Scores will be compared using the final day total, followed by the final nine holes (holes 10-18) of the final round of play. If that does not produce a winner, then the last six holes, then the last three holes, then hole by hole; starting with #18 backwards.

Ties for the Boys and Girls Overall Division (13-18), as well as the Boys and Girls 11-12 Champion will be broken by a sudden death playoff (Challenge and Championship Tour only). Playoffs will begin immediately following completion of the final round of play.

Weather Policy

Completion of 18 holes by all contestants will constitute an official event for each 36-hole tournament.

It is unlikely that an event will be rescheduled due to inclement weather. Refunds on player fees are subject to the host site's rain check policy.

In an event that a Prep Tour event is shortened due to weather, all players are must return their respective score cards to the SFPGA Junior Tour staff once they have completed.

The SFPGA staff will make every effort to score the event for each age division competing in the tournament. However, should a particular age division fail to collectively complete 5 holes, the tournament will not be official; therefore, the results/points will not be posted.

Should an age division collectively complete 5 holes or more, but collectively fewer than 9 holes, the event will be considered official and the SFPGA Junior Tour staff will score the tournament as follows:

- ❖ The results for each age division will be calculated relative to par for the first holes that each player completed during their respective round. For example, if Player A started the tournament on Hole 1, his/her score relative to par for holes 1, 2, 3, 4, and 5 would be used for his/her score.

Tournament Results

Tournament results will be posted immediately following the first round of play at each event on the Junior Tour website. Official tournament results for the final round will be posted on the South Florida PGA Junior Golf website no later than one (1) day following the event. To access results visit, www.sfpgjuniorgolf.com, or use the SFPGA mobile app to access tournament results quickly via mobile device.

All scores will be sent to Junior Golf Scoreboard no later than two (2) days following the event (Challenge and Championship Tour only).

Practice Rounds

Practice rounds are offered to Tour members and are based on each individual club's availability. Some clubs may offer play to parents, but this is **not** the standard and should not be expected. COLLEGIATE DIVISION

New for 2019, the South Florida PGA will have a Collegiate Division during various summer events. This collegiate division is designed to provide our Junior Tour Alumni with competitive tournaments while away from school on summer break and to keep junior Tour Alumni who may not play collegiate golf engaged in the game. These events are designed to provide players with elite tournament set-up to keep them involved in tournament golf. The collegiate division will be available at various SFPGA events during the summer months.

Eligibility

The Collegiate Division is open to any player who is currently enrolled in college. Eligible participants do not need to be on a collegiate golf team.

Cost

Each event will cost \$150 to enter. Players will receive a sleeve of titleist golf balls at the event. South Florida PGA membership is not required to participate.

Tour Refund Policy and Withdraws

Prior to the event deadline cancellations/withdrawals MUST be submitted via EMAIL to the Junior Golf Director, Chad Peters at cpeters@pgahq.com.

If a request for cancellation is received after the event deadline and the event does not have a waitlist or no one from the waitlist can fill the spot, NO refund will be granted. In the case of an emergency or medical illness, a written doctor's note must be submitted to the Section office within five days immediately following the event.

All refunds will be issued minus a \$10 processing fee.

PACE OF PLAY POLICY

An average rate per hole will be set for all SFPGA Jr. Tour events. Each competitor's scorecard will reflect their allotted time per hole, and a timing sheet will be posted and distributed at the first tee.

Each player must follow the ready golf procedures during their round.

- When arriving to your tee shot, you must determine your yardage and be ready to play as soon as your fellow competitors hit.
- If you are the first to hole out, you must gather your equipment and head to the next hole. The second player to hole out is responsible for picking up the flagstick while the final competitor finishes.
- You must walk with a purpose at all times.

Each player must play without undue delay, which is defined as taking no more than 45 seconds to play a shot. Those players who are first to play from a given area (tee, fairway, green, etc.) will have 10 extra seconds to play their shot. A group will be monitored for pace of play based upon their time par and position (staying up with the group in front).

If any group falls behind their time par, the group will be given notice by an SFPGA official. The official will give the group three holes to make up the time. During this three hole stretch, the rules official will stay with the group ensuring that time is being made up. If the group fails to make up time during the three hole stretch, they will remain on the clock until the end of their round. If the group fails to make up the time before completing the round, they will be issued a 1 stroke penalty for undue delay.

Penalties:

First Breach of Round = 1 stroke penalty to each player in the group.

If the group fails to make up lost time or fall back into position before the completing of play, they will be issued a 1 stroke penalty for undue delay.

Notification:

Any group falling out of position or over their time par will be notified immediately by an SFPGA Rules Official.

It is the player's responsibility to recognize when they have fallen out of position. Penalties are to be added to the final hole of the round.

When a group will be notified:

Given when a group is more than 15 minutes behind the group ahead (out of position) and over the allotted time.

- **Position: First Group(s) off Either Tee:** The first group(s) will be in breach of the pace of play policy if they take more than the allotted time to finish a hole until they reach (within 15 minutes) any group ahead. After they reach any group ahead, both conditions must be met to be in breach of the pace of play policy.

Position with Group Ahead: To stay within 15 minutes of the group ahead, players should never have an open hole and they should be in the fairway on par 4's and 5's when the group ahead leaves the green.

To remain in position, at least one player from the group must have a ball in play on the hole of the group ahead of them.

- **Allotted time:** the maximum time allowed to complete play of the course. The allotted time is predetermined by the Tournament Committee and may be adjusted between rounds. Time for ball searches, rulings and walking time between holes is included in the allotted time. The allotted time will be printed on each scorecard and posted at the first tee.
- **Timing:** a group's completion time at each hole is measured when the flagstick is replaced in the hole once all players in the group have holed out.
- **Appeals:** if a player is concerned about slow play of one of their competitors they must remind that competitor of the Pace of Play Policy and encourage them to play more efficiently. The player may ask an official to monitor the group during any point of the round.

SPECTATOR POLICY

The South Florida PGA Junior Tour encourages spectators and parents to attend any and all Tour events. However, it is a privilege for spectators to attend and they are therefore required to conduct themselves appropriately at all times.

The South Florida PGA Junior Tour reserves the right to suspend and/or ban any spectator from one or more events.

Failure to comply with the Rules and Regulations may result in immediate removal from the facility and/or suspension of playing privileges for the member.

Spectators must stay **50 yards** away from competitors so as to avoid the appearance of giving advice. (Rule 8-1, Rules of Golf) Spectators are asked that they do **not** communicate with players during any competitive round. Examples are:

Verbal Communication

Hand signals to the participant, including gestures to influence player decisions

Providing participant with written material

Positional to assist with aim or alignment

Aiding in rulings or giving rulings

Interaction for health issues, **must only** take place prior to the hole being played or after. Examples include but are not limited to: the handing of medication, food, beverages or sunscreen.

Any player seen speaking to a spectator during the play of a hole, or for any reason other than for health concerns, is subject to a 2 stroke penalty based on Rule 8-1.

Spectators **MUST** remain on cart paths or in the rough areas at all times. Walking in the fairways not only causes concern about interactions with players, but it can be dangerous and cause the group behind to be slowed down. Please walk ahead of the group you are watching to avoid delay of the group behind.

Spectators should **never** be on the putting surface or teeing area, and should observe these areas from a minimum of 50 yards so that there will be no interference.

Spectators are **not** allowed to use cell phones on the course, and request that they are turned off or left in the car during play.

Should inclement weather force a delay in play, we ask that you please help shuttle players back to the clubhouse. A delay will be signaled by one long blast.

All spectators must dress appropriately in golf attire when attending South Florida PGA Junior Tour Events. Blue jeans, t-shirts, tank tops and short shorts are not to be worn.

Spectator Carts

Spectator golf carts will be available at the discretion of the host facility. If spectator carts are permissible, they **must** remain on cart paths at **all times**. Cost of spectator carts are set by the host facility. Any spectator who violates the spectator cart policy may have their privileges of renting a cart revoked.

Spectators are **not** permitted to give rides to competitors between holes. SFPGA Staff will provide shuttles if and when they are necessary. The only time a player will be shuttle by spectators will be in inclement weather in which we ask that you please help shuttle players back to the clubhouse.

Sand Bottles
